

Professional Profile

"Bright Solutions in Engineering"

Roy Herman, Designer

Education

Linn State Technical College
Associate of Technology
Design Drafting

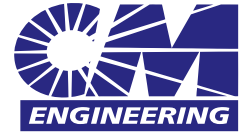

Professional and Civic Affiliations

Chamber of Commerce
Columbia, Missouri

Commitments to excellence and client satisfaction are key objectives in Mr. Herman's management of design projects. With over 19 years experience in engineering and construction, he is involved in each phase of a project, and works closely with the owner and contractor to ensure its overall success. His project experience includes fire stations, banks, hospitals and institutional facilities, offices, schools, and commercial buildings. Specific areas of expertise include M/E/P design and extensive computer knowledge.
