"Bright Solutions in Engineering"

Brian Rickard, Drafter

Education

ITT Technical Institute
Associate Degree
Computer-Aided Drafting

Certifications

OSHA Construction Safety Course
(10 hours)
Adult CPR/AED and Workplace First Aid

Mr. Rickard came to CM Engineering, Inc. in 2006 with over 12 years drafting experience as a C.A.D.D. operator/draftsman.

With a background in mechanical drafting/design, Mr. Rickard previously worked as an independent contractor for several large engineering and design firms in St. Louis, MO. From 2000-2004, he was employed with Burns & McDonnell, St. Louis, MO, where he performed C.A.D.D. for HVAC, piping, plumbing, and fire protection and served as C.A.D.D. coordinator for several of the firm's projects.

Mr. Rickard plays a key role in the initial setup of a project and enjoys the challenges involved in the drafting process and meeting project deadlines.
